

# Bus Driver Christmas Gift Fund

'Tis the season for giving and, as the holidays approach, we'd like to continue Local 4094's annual tradition of collecting donations toward appreciation gifts for Mike and his colleagues who safely and cordially deliver us to and from the airport daily.

Donations can be dropped off at the CUPE office or to the volunteers we plan to have collecting in the crew room. If you find you can spare some time and help out with collecting donations, please email us at [officers@local4094.ca](mailto:officers@local4094.ca) or drop by the CUPE office during business hours.

Thank you for your generosity,

Your Local 4094 Executive
