NEXT LOCAL 4094 REGULAR MEMBERSHIP MEETING

The next membership meeting will take place on **Monday July 26th** from **10:00 - 13:00**.

Our usual meeting location at the IAM hall is undergoing renovations which may or not be complete prior to the meeting date. As the date approaches we will announce the venue via e-mail bulletin and through the website.

Membership meetings offer all of us an opportunity to have our voice heard. As we approach bargaining 2011, your attendance and support will be key to any success we achieve.

RESERVE 100 HOURS VOLUNTARY EXTENSION ARBITRATION

The arbitration dealing with the ability of reserves to fly voluntary extension and be paid over minimum guarantee continued with three hearing days in May. The arbitration process can be slow and frustrating especially when we are being denied a negotiated benefit with every passing day. We will keep you updated and want to assure you that every available resource is being devoted to secure a favourable outcome.

RETIREMENT TEA AND RECOGNITION

On June 1, Local 4094 hosted the second annual Retirement Tea and Recognition. This well attended event allowed former colleagues to get re-connected, share memories and get caught up on the goings-on of the Union. More than seventy retirees and many current members shared an afternoon together which started at the IAM hall and finished at the Elephant and Castle Pub. It was a real privilege to salute so many of our former colleagues, and we hope to attract even more active members to share in the memories next year.

This event wouldn't be possible without the generous contributions of all our volunteers. Special recognition is due to VP George Stonier, the driving force behind this event, retiree and past Local President Pat Cheung who continues to contribute long after her retirement and Secretary Treasurer Pam Sarkissian whose tireless efforts ensured that the event went off without a hitch. Our wonderful neighbors, Hark and his crew at **Richmond Frame & Alignment Ltd**, graciously allowed parking in their lot and even came outside to assist with marshalling in the vehicles.
