

**LONG-RANGE FLYING REMINDER - YOUR RIGHTS**

We would like to remind you that for the dates specified below, the company has designated the pairings as belonging to a category which is longer-range than their usual classification. In addition to the extension of duty period, it is important that you remember and exercise your rights with regards to the following provisions of your collective agreement.

**-Crew complement**

**-on board crew rest**

**-crew rest at home**

**-crew rest on layover**

## **Minimum Rest Period Away from Home Base Following LOU 18 & LOU 22 Flights**

Scheduled	24 hours
Minimum	18 hours

-----

The issue of whether or not the company has the right to arbitrarily designate some flights as longer-range than they actually are is the subject of a grievance to be heard in the near future.
