

MOVEMBER UPDATE

CHANCE TO WIN TWO POSITIVE SPACE AIR CANADA SYSTEM PASSES

Seven Local 4094 members have set out on an epic, month long moustache growing odyssey, all in the name of raising funds and awareness for men's health issues, in particular Prostate Cancer.

Every year 4400 men die of prostate cancer here in Canada and one in six will be diagnosed during his lifetime. To be frank, we on your Local High Flying Mo's Team are passionate about prostate health. That's why we are all growing moustaches in honour of this important men's health issue.

We are asking for your support by making a donation to your locally sponsored Movember Team throughout the month of "Movember". You can donate on line to your favourite High Flying Mo's' team member or drop on by the CUPE office on the main floor of the Ops Centre.

For every \$20.00 donation that you make, your name will go in to a draw for two confirmed Air Canada system passes. Increase your chances of winning by joining the team as either a moustache grower or a fundraiser; for every \$50.00 raised by a team member, they will earn an extra ticket for the draw. So remember ladies, you too can join the Mo'bros on the team and be a Mo'sista.

Follow along with updated photos on our website, local4094.ca under the Movember column or on the official Movember.com site under *High Flying Mo's'*.

It should be a fun month and we'd like to thank you for your support.

Stay tuned for the big "shave off" at the end of the month!

*All donations are tax deductible to the extent permitted by law.
