Intensive French Training Program

We are pleased to announce that linguistic affairs has committed to providing a one-month paid intensive french class for Local 4094 - YVR cabin personnel desiring to be bilingual qualified. This would be a pilot project without prejudice or precedent, and if successful we are hopeful that the program would be implemented on a yearly basis.

As the training program will be designed to enable bilingual coverage (L2.01), an intake interview would first be scheduled to ascertain a participant's level of bilingual capability.

The Local has been asked to gauge the interest in such a program. The course would likely be offered during an operationally slower month, such as April or November, and the class would be restricted to ten participants.

The Local has been asked to gauge interest in such a program. Please contact the Local at: officers@local4094.ca if you would like to participate in the proposed pilot program.

We would like to extend our sincere thanks to MJ Page, Chair of the Component Bilingual Committee for all of her efforts in advocating on behalf of our members.

In Solidarity,

Your Local 4094 Executive
