Bidding Tips and Reminders

- **Submitting your bid:** Remember that you may submit your bid multiple times within the month. It is actually recommended that you

SUBMIT your bid after entering every couple of bid lines to ensure that you do not lose any data. If you have the GREEN dot in the upper right hand corner of your bid page then you should only be Submitting your bid. The only time that you need to use the SAVE tab is if your dot is GREY (no wifi)

- PBS will not take **Symbols** within your password: You may be able to log into ACaeronet but the New User Interface for PBS will not take these special characters: & < > " \ ` : * ; within your password
- ** If you are finding that the **Autofill** does not work for the New UI for PBS, you will need to manually enter your Password. PBS was not programmed to accept the autofill of the password
