Entitlement

Under Article 8 - Vacation & Statutory Holiday Periods of the Collective Agreement, the following years of completion apply:

Less than 1 complete year	1 day per full calendar month
1-4 years	14 calendar days
5-14 years	21 calendar days
15-24 years	28 calendar days
25 or more years	35 calendar days

The nine (9) statutory holidays are added to the calendar-day entitlement as designated above.

Note: If you have 23 or more VAC days in the month you do ART, you will have your ART automatically moved to the month earlier. An exception occurs for crew members due in April, who cannot attend training in the preceding month (March) as IFS Training introduces a new training module in April of every year. Instead, these affected crew members will be required to attend Re-qualification training in the following month, i.e. in May.
